Saturday 30th – Sunday 31st January – Symmons Plains Raceway

Yep we're comin back again for the third time so the bomber has been booked, the track has been booked, half the garages have been booked, and we are all set to go again in 2010.

The entry forms are out now. They're e-mailing it to all previous entrants, as well as printing some posters and flyers to distribute through all the Carline Mufflers stores in Tassie, so keep an eye out for those. Entry forms are also available from the Powercruise website.
